

The Berks County Republican Committee and the Berks County Patriots are teaming up to sponsor a Trump Train on June 14, 2025 to celebrate President Trump's Birthday, and which is also Flag Day!

The Trump Train will begin setting up at 12:00 p.m. and leave promptly at 1:00 p.m. from the Exeter Promenade in Exeter Township and will travel throughout Berks County. We will return to the Exeter Promenade for a birthday celebration to honor our great President.

We would like to provide the participants with a Birthday Cake, snacks, and drinks. We are hoping that you would help make this celebration a HUGE success by considering sponsoring this event with either a money donation or another type of donation of your choice.

Any and all contributions are greatly appreciated!

All sponsors are welcome to join the Trump Train, and upon approval, will be able to advertise their business/organization on their car with signs or magnets, along with their Trump signs and flags of course! Sponsors are encouraged to spread the word to have others join us for the Trump Train. We're hoping to make this the biggest and best Trump Train so far!

Please contact us at the number/emails below to join in this wonderful celebration event.

Thanking you in advance!
